

MIKE SHORT

SENIOR CAPTAIN

I took early retirement and my wife and I decided to spend some time in the sunshine in Cyprus.

We lived next door to a couple who were avid golfers and they encouraged Carole and I to give golf a try, hence I have been playing for some time.

While in Cyprus I spent many years running the Seniors' Section so when Vince asked me to be his Vice Captain, I was honoured and it gave me a chance to get more involved with Brean Golf Club. I just hope I can do as well as Past Captains.

I also hope that we can, as a section, have more get togethers in the Club House now we have our own area and a better selection of meals available.

Both Carole and I like to be involved in the club and she is currently the Secretary of the Ladies' Section.

My favourite hole is the 18th as its challenging and after a bad round I'm closer to the 19th hole.
